The Executive Committee may seek clarification or rephrasing to ensure that the meaning and intent of a proposed resolution are clear and may nominate a delegate or delegates to assist the proposer to revise a proposed resolution in order to conform to these Rules.

Agenda item 11 - Motions and Resolutions

11.1 Motion to approve the holding of the next General Assembly in August 2020 (Art. 8 of the Statutes refers)

Background

The legislation of the Netherlands, as stated in the Dutch Civil Code, Part 2, Sections 48 and 49, requires that the Governing Board must submit an annual report and annual financial statements to the General Assembly within six months of the end of the financial year, unless the General Assembly has extended this period. The period may be extended on account of special circumstances for no more than five months. This is reflected in Article 8.2 of the amended Statutes.

IFLA's financial year ends on 31 December, and its General Assembly (formerly Council) meets during the Congress, normally in August, more than six months later. The General Assembly must therefore authorize the Governing Board to present the annual report and financial statements at the next Congress. IFLA's lawyers advise that this authorization has to be given every year. A blanket authorization is not permissible.

Motion:

to authorize the Governing Board to convene the General Assembly to coincide with the next IFLA World Library and Information Congress which shall take place in August 2020. In the case of an unavoidable delay the General Assembly may be convened at a later date, but no later than 30 November 2020.

11.2 Motion on the setting of Membership Fees 2020 - 2022

Background

Every three years Council (now General Assembly) had been called upon to approve the membership fees. In 2006, Council resolved to give power to the Governing Board to increase the IFLA membership fees in all categories by the percentage of the official retail price inflation, as recorded by the Netherlands government, since the time of the last increase of membership fees. This came into effect in 2007 for the fees from 2008. In the same resolution it was also stated that the Council would maintain its right to continue to approve the IFLA membership rates for all categories at intervals of no more than three years.

In 2019 the General Assembly is asked to again approve a motion, for the years 2020, 2021 and 2022.

The annual increase percentage for membership fees is calculated on the average consumer price index percentage (retail price inflation) in the Netherlands in the period July – June. The new rates for the following year are then adjusted with this percentage and approved by Governing Board at its August or December meeting. In 2010, in recognition of the impact of the World Economic Downturn on the average consumer price index percentage, the General Assembly resolved to build in a minimum level for the increase percentage so as to ensure financial sustainability for IFLA. At the General Assembly the Governing Board will advise the Assembly of the average retail price inflation average in the Netherlands since the time of the last increase and recommend a percentage increase rate for the 2020 membership fees.

Motion

The Governing Board calls upon the General Assembly to vote on the following motion regarding annual membership fees for 2020, 2021 and 2022:

“The Governing Board proposes that the General Assembly empowers the Governing Board to increase the membership fees in all categories by the percentage of the official retail price inflation, as recorded by the Netherlands government, since the time of the last increase.

In a year where the average retail price increase is below 1.0 % the Governing Board may increase the membership fees in all categories up to 2.0 % in order to ensure financial sustainability.

The General Assembly will continue to approve the IFLA membership rates for all categories at intervals of no more than three years.”

11.3 **Motion on the election of the 10th member of the Governing Board**

Background

From October to April, the Federation held nomination and election processes for the IFLA Governing Board 2019 - 2021. Following the counting of votes and confirmation by scrutineers on 3 May 2019, it was established that there is a tie for the 10th and final position on the Governing Board. Rocky Ralebipi-Simela and Jonathan Hernández-Pérez both received 539 votes. IFLA’s Parliamentarian has provided advice on IFLA’s Statutes and Rules of Procedure for dealing with this situation.

Rule 11.15 of the IFLA Rules of Procedure states that: “If two or more candidates obtain an equal number of votes for the last remaining vacancy, a new election will be held between these candidates at the next meeting of the General Assembly”. The two candidates have both confirmed that they wish to take part in a further election for the 10th position on the Governing Board.

Members entitled to vote, or their proxy, will receive a ballot paper with their General Assembly voting slips at the Congress. In accordance with the rules, the completed ballot paper must be submitted at the meeting of the General Assembly. The ballot will be counted immediately after the General Assembly and the results announced at the Closing Ceremony.

Motion

Members of the General Assembly are requested to vote on the following motions:

- 1. That an election take place for the final place on the Governing Board following the result of the elections held earlier in 2019. The election will be held in line with Rule R 11.14: For the vacancies for elected places on the Governing Board, the number of candidates with the highest number of votes shall be declared elected equal to the number of vacancies and R11.15: If two or more candidates obtain an equal number of votes for the last remaining vacancy, a new election will be held between these candidates at the next meeting of the General Assembly.**
- 2. That the election take place by secret ballot.**
- 3. That if there is a further tie that both names should be placed in a hat. One name will then be drawn by an agreed impartial individual. The candidate whose name is drawn would then take the tenth place on the Governing Board.**
