

Country Report: DENMARK

Annual report to the IFLA CLM committee
Helsinki Finland 2012

Copyright

Revision/changes in existing law or regulations

New legislation

Orphan works

Mass digitisation

Digital preservation

Legal deposit

Public lending rights

Levies

Creative Commons

No changes on these issues.

Legal matters

Revision/changes in existing law or regulations

New legislation

Trade agreements

The Danish government supported that EU should ratify ACTA. Denmark has already similar provisions on enforcement.

Privacy

The EU Commission has proposed a Regulation strengthening the protection of privacy under the motto “The right to be forgotten”. Severe problems for historical research may be anticipated if the regulation is adopted as proposed..

Anti terrorist law

DRM

Law cases

Lobby activities

Because of the Danish Presidency of the EU Council I have been particularly active regarding the proposal for an EU directive on Orphan Works.

Educational activities

Strategic plans for future

To go into retirement 1st March, 2012
