

IFLA Library Collections – Division II

Summary of 2014

Compiled by Russell S. Lynch
9 April 2015

Introduction

The IFLA Sections in Division II completed the following activities, projects, and publications in 2014. Two sections modified their name this year. The new names are the News Media Section and the Rare Books and Special Collections Section. The News Media Section also changed its mission statement.

This summary does not include regular activities during the WLIC in Lyon, France.
