the long table in the entrance area ...

and don't forget ...

Herrade de Landsberg

An aerial view of a modern office lounge. In the center, a group of people is seated around a large, white, oval-shaped table, working on laptops and documents. The table is surrounded by several bright orange armchairs. A large, white, spherical light fixture hangs from the ceiling in the center. The lounge is situated on a dark, circular platform. The text "Thank you !" is overlaid on the right side of the image.

Thank you !
